DECLARATION OF ROBERT WESLEY AKERS

IN SUPPORT OF REQUEST FOR TRADITIONAL GOVERNOR'S PARDON

(Penal Code, §§ 4800-4813)

PEOPLE OF THE STATE OF CALIFORNIA

Plaintiff,

v.

ROBERT WESLEY AKERS

Defendant and Applicant.

(KERN COUNTY CASE NO. 12650)

I, ROBERT WESLEY AKERS, hereby declare:

1. I was born on [redacted], and I currently reside in [redacted] South Dakota.

2. I am petitioning for a direct pardon for a marijuana offense that I committed over 40 years ago. It is my only criminal conviction in an otherwise completely law-abiding and productive life.

3. At the time of my offense, I was an immature 20-year-old. I was living away from home for the first time and was roommates with

a young man who was selling marijuana from our apartment. My offense occurred one night when my roommate was gone and I accepted money from an undercover informant who wanted to purchase some marijuana. I took the man's money and gave him an envelope that my roommate had left for him. I knew that the envelope contained a map to some hidden marijuana. I did not profit from the transaction in any way.

4. On September 3, 1968, I was convicted of selling marijuana (Health & Saf. Code, § 11531), and placed on three years probation. I completed probation without problems of any kind and paid all fines, fees and restitution. My roommate was sent to prison.

5. On February 3, 1972, my conviction was dismissed pursuant to Penal Code section 1203.4.

6. I have spent my life making an honest living as a farmer and a commercial builder. In the 1970s through the mid-1990s, I operated large farms in California, and at one point was the single largest supplier of alfalfa to Japan, and sold over 2000 head of cattle per year. In 1996, my wife and I relocated to South Dakota where I built hotels and restaurants, and later farmed a 3000-acre wheat ranch.

7. Since moving to South Dakota, I have been very active in my church. I have travelled to numerous countries and assisted in the construction of churches, Bible colleges, and schools for

the blind. I also helped to build a large gymnasium for Native American children in our area.

8. I am now approaching my 70s. I have been married for over thirty years, and my wife and I remain in [redacted] South Dakota. I look back at the mistakes I made a younger man with a combination of bewilderment and regret. With the exception of this one incident, I have lived my entire life as a completely law-abiding citizen. I have operated numerous businesses, married and raised children, and served my community as a volunteer fire fighter, a member of the Modoc County Grand Jury (for three years), and as active member of our church.

9. I regret my involvement in this incident 45 years ago and I took responsibility for my offense many years ago, yet I still suffer from its repercussions. I hope to retire in the next few years and I am seeking a pardon so that this mistake as a much younger man will not darken my final years.

10. I respectfully ask the Governor to grant my request for a full and unconditional pardon.

I declare under penalty of perjury that the foregoing is true and correct. Executed on 2/19/, 2013, in [redacted] South Dakota.

Felony Pardon Request

Dear Governor Jerry Brown,

December 17, 2012

The purpose of this letter is to formally request a pardon for a felony that I received over fifteen years ago. I know you don't know me so let me give you a little insight as to who I am today and the purpose for this request.

I, like many of the youth today and in years past, made many mistakes when I was younger in which I regret to this date. But I can assure you this is all in the past. Since my felony conviction, I have had no additional convictions of any sort. I got marred in 1998 to the love of my life who had full knowledge of my past and has been instrumental in making me the law abiding citizen that I am today.

I have excelled in my construction career starting as a carpenter laborer for several years. Next I took a job as a cost estimator where I was able to take my hands on knowledge of construction and put it to use formulating cost estimates for various clients. It was during this time that I had gone back to Cal Poly Pomona University and achieved my Construction Management Certification. Now I work for a General Contractor where my roles are Project Management and Site Management. My current projects are mainly in the retail shopping field.

Now that you know a little about me I am sure that you can see that I am simply trying to put my past where it belongs, behind me. I am always trying to achieve a better position within my company or with any other companies and I would just like the peace of mind that a mistake that I made over fifteen years ago would not hinder or block my path to the future.

I am simply requesting your help in this matter. I want to thank you in advance for your time and your consideration in this matter.

Thank you,

Specifically, Mr. Bauer stole personal belongings valued at approximately $3,000 from an unoccupied residence. He served nine months in prison, and three years probation. He was discharged on May 14, 2000, having completed his sentence.

Kirk Phillip Bauer has complied with the provisions of Sections 4852.01 to 4852.2, inclusive, of the Penal Code of California, which provide a procedure whereby a person may, after completion of their sentences, seek restoration of the rights of citizenship, and apply for a pardon. Indeed, Mr. Bauer states that he is involved in the lay ministry program in his local church. By granting the Certificate of Rehabilitation, the court has recommended that he be granted a full pardon.

By the laws of this state it is proper that I, as Governor of the State of California, give testimony that, by completion of his sentence and good conduct in the community of his residence since his release, Kirk Phillip Bauer has paid his debt to society and earned a full and unconditional pardon.

THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, by virtue of the power and authority vested in me by the Constitution and statutes of the State of California, do hereby grant to Kirk Phillip Bauer a full and unconditional pardon for the above offense.

Dennis LeRoy Carter

Dennis LeRoy Carter, a resident of California, has submitted to this office an application for executive clemency.

He was sentenced on or about November 18, 1985, in the Superior Court of the State of California in and for the County of Los Angeles, for the crime of burglary. Specifically, Mr. Carter was caught stealing property from an unoccupied residence. He served three years probation, four months prison, and one year parole. He was discharged on April 17, 1990, having completed his sentence.

Dennis LeRoy Carter has complied with the provisions of Sections 4852.01 to 4852.2, inclusive, of the Penal Code of California, which provide a procedure whereby a person may, after completion of their sentences, seek restoration of the rights of citizenship, and apply for a pardon. He has obtained from the Superior Court of the State of California in and for the County of Placer, an order dated March 4, 2009, evidencing that since his release from custody, he has lived an honest and upright life, exhibited good moral character, and conducted himself as a law-abiding citizen. Indeed, Mr. Carter is active in his community, and volunteers his time to help those struggling with addition and to raise awareness about cancer. By granting the Certificate of Rehabilitation, the court has recommended that he be granted a full pardon.

By the laws of this state it is proper that I, as Governor of the State of California, give testimony that, by completion of his sentence and good conduct in the community of his residence since his release, Dennis LeRoy Carter has paid his debt to society and earned a full and unconditional pardon.

THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, by virtue of the power and authority vested in me by the Constitution and statutes of the State of California, do hereby grant to Dennis LeRoy Carter a full and unconditional pardon for the above offense.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 24th day of December, 2013.

QUESTION #3

#3 asks me to explain why I am requesting a pardon. There are several reasons the first would be for my own personal satisfaction that by this request, I know I still have to say yes if I am asked about my criminal record, but if you grant this request then I can say yes but the Governor gave me a pardon. People should realize that yes I messed up, but I did my time, that when I got out I completely changed my life around and that the governor of the state of California must have been convinced of this because he gave him a pardon.

That I don't have to suffer the prejudice of some people and companies that you have to deal with in every day life. The rental management company that manages the apartments here where I live will not rent to felons; it states this in the rental agreement. If the owner and I hadn't been friends for over forty years, I wouldn't have been able to rent any of the property they manage here in Prescott. Even if my wife rented a place I would not be able to live with her.

I would like to be able to get a passport for 2 reasons. My mother was born in London, Canada and I would love to go into Canada the next time I am back in Michigan. My wife and I have gone back every summer since we moved to Arizona to visit with our children and grandchild, and I would like to see where my mother was born. When my wife retires (for the third time) in a couple of years she wants to travel to Italy and go on cruises we'd like to do them together. I have some health issues that are not getting any better that say I should do any traveling I am going to do sooner than later.

Another reason for my asking for a pardon is so that something stupid doesn't happen like this for example, I sometimes go out and cut wood with a young man, he's 40 years old, it's good exercise for me and sometimes I make a few bucks. The last time we were out we got stuck and while getting the winch controls I noticed his shotgun behind the seat. It's legal, it's his, and he has the right to have it with him. If we were to get pulled over, I could theoretically be sent back to prison for being near a legal firearm which I did not know it was there, that wasn't mine if fact I had never fired it. I am totally blind in my right eye in fact my eye was removed in 2005 so I really don't see me going out and buying a gun, I can't see to shot one. It's not in the budget especially at the prices they are charging now, I want a good metal detector before I want a gun. But I also don't want top go back to prison because I am near someone who's got a gun. Arizona is a right to carry state so a lot of people think they have to have a gun to be safe.

I am also an amateur gold prospector and would like to go to school and take some geology and some mining courses that they have available at the local college. I am not sure if you have to pass a background test or not, but I'd like to be ready if they do.

Last but not least by any means and this is not a joke. My wife is a first grade teacher at Liberty Traditional School in Prescott Valley, and every year her students put on a Veterans Day Show and ask all vets to come that night. The first year I went and sat up front my wife told her kids that this is Mr. Cassidy, he's a vet. My wife told me the next morning that when her students came in from fist recess they had a question for her," Is Mr. Cassidy Santa Claus? " My wife played along with them and said I don't know he's always building things down in his work shop. They ask this because I have a long white beard, and I might be a little on the chunky side. My wife knows how much I like children and I would diffidently dress up like Santa Claus for her Christmas program, but I would have to apply for a finger print card from the F.B.I. before I would be allowed on campus. Again I know I have to answer that I have a felony conviction and again this is when a pardon by you would go a long way.

QUESTION #4

I feel that I have shown by my actions in society that I am rehabilitated in all ways. During this time of rehabilitation, I have lived an honest and productive life. I have conducted myself with sobriety and good moral character. I have conformed to and obeyed all laws.

I know that your pardon is an honor that you only grant to people that you feel have shown by their behavior that they have been rehabilitated and have been a law abiding citizen since their release from custody.

If I don't blow my own horn here it won't get blown. If there was a check list for the things you must do before you get a pardon, I am sure I've covered all the bases.

I was released from parole on September 28, 2000 so I've completed the 10 year waiting rule.

I went to work in a state that I had never even been in 6 days after being released from prison. I helped build one of the most effective mobile truck repair companies in southeast Michigan.

Bought a house in New Baltimore MI. 6 months after I got off parole, so my family had a home not a 2 bedroom apartment for 5 of us. Supported and raised my grand daughter for the first 3 years of her life while her mother, my daughter got on her feet. Gave my son a chance to work for me when he graduated high school, a chance to pass on a trade and work with my son for those 17 months, was priceless.

I helped bring my wife, my family and myself to a social status a middle income family lives like. I have led a law abiding life without so much as a traffic ticket since my release from prison.

I haven't taken 1 day of my freedom for granted since my release and I promise you that I will not take your pardon for granted.

Thank you for your time in considering this pardon for me.

Sincerely,

Kerry M. Cassidy — Date: 3/08/2013

Dear Governor Brown,

My name is Kerry Michael Cassidy, I am 58 years old and currently reside [redacted] Arizona with my wife [redacted]

I was born and raised in California. I am a graduate of Palos Verdes High School and received an Honorable discharged from the United States Army in 1974. I met and married my wife of today in 1979 (34yrs) and together we have two beautiful children. Our daughter [redacted] lives in Grand Rapids Michigan is married and has our 12 year old grand daughter [redacted] Our son [redacted] lives in Sterling Hts. Michigan got married this year and we hope to have more grand children soon.

The reason my children live in Michigan is because that's were my wife is from and that's were I was granted an out of state parole to after I served my time in CDC.

I was sentenced to 3 years, but because I was a non violent 1st time offender I was granted ½ time and ended up serving 20 ½ months. During my time in state prison I had 0 write ups.

I was released on August 29, 1999, stayed with my Dad for 1 night and flew to Detroit the following day. Actually I missed my connecting flight here in Phoenix so it took me 48 of the 72 hours I had to report in, to report to the parole office in Macomb county Michigan.

I reported to my parole officer Agent Mark Goricke and to make along story short he helped me get a job, he actually gave me and another parolee permission to work together and between the 2 of us we built up a very successful heavy duty mobile truck repair business. While on parole I had 0 violations, so the state of California released me on Sept. 28, 2000, after one year.

I worked for TLN Commercial Repair, from Sept. 4, 1999 until I became disabled in Nov. 2008. I got out of prison on August 29, 1999 and I started working for T.L.N. on Sept. 4, 1999.

During my almost 10 years in Michigan, my wife and I with my Cal-Vet loan bought a house that we finished raising our children in. I was a partner in a successful business; I voted and even served on jury duty when I was called to. I was 1099 so I paid my taxes quarterly. I drove a service truck year round so I logged in almost 300 k miles with no tickets or accidents. I am a life time member of the V.F.W. post in New Baltimore MI.

My wife's life long dream was to become a teacher, more precisely to teach small children, and to that dream she put in 13 years of schooling besides working full time.

She was accepted to do her student teaching here in Prescott AZ. So after working 10 years for the Macomb intermediate school district she retired for the second time, the first was from the CA. library district right there in Riverside, so we moved lock stock and barrel here to Prescott. She fulfilled her dream and is now in her 3rd year as a first grade schoolteacher.

and before long, ran out of money. We were homeless and pretty hungry at times, badly wanting something to eat, etc. Some guys we ran into suggested we sell these little "dime bags" of marijuana for 10.00 (Ten) dollars each. Desperate, I succumbed to the temptation and was arrested by an undercover police officer. I was very naive, and wished I had the presence of mind to have turned elsewhere for help. But back then, I was just a kid with low self esteem and felt hopeless.

gainfully employed and even went on to finish a college education and begin a career as a Radiologic Technologist (xray technologist). I have worked at a large hospital in the [redacted]Tx. area for about 8 years now.

I have gone on to be a vital team player and helping people in the medical field. I also accomplished part of the American dream by purchasing 2 acres of land in a rural area, and have lived on this land for 12 years now. I also petitioned the Los Angeles Superior Court, and was very thankfully granted an expungement and dismissal for this crime, which I have also enclosed.

I learned from my mistake in 1986, and turned my life around for the better. I resolved myself, forged ahead in a positive and always law abiding direction and became a constructive and contributing member of society. I gained self esteem over the years as well and have become a very strong and upstanding person. I definitely took my mistake and used it as a positive lesson and at the age of 45, hopefully have proved myself rehabilitated and worthy of the privilege of pardon. I own up to my mistake completely, and know that I alone am 100% responsible for that mistake, and no one owes me anything. I have always regretted it, and have always wished that I could go back and rectify my mistake.

He was sentenced on or about July 22, 1994, in the Superior Court of the State of California in and for the County of Los Angeles, for the crime of burglary. Specifically, Mr. Dickerson took some items from the yard of a friend who had recently passed away. He served three years probation. Indeed, Mr. Dickerson is active in his church and has volunteered with the Boy Scouts. By granting the Certificate of Rehabilitation, the court has recommended that he be granted a full pardon.

By the laws of this state it is proper that I, as Governor of the State of California, give testimony that, by completion of his sentence and good conduct in the community of his residence since his release, Martin Duane Dickerson has paid his debt to society and earned a full and unconditional pardon.

APPLICATION FOR EXECUTIVE CLEMENCY

2. Briefly describe the circumstances of the crime for which I am requesting a pardon:

Illicit drug possession - I was a young adult and made a very bad mistake. Growing up in an adopted household, raised by a single mother was hard. My adopted mom did the best she could to raise me and my sister, however, we were never very close or bonded. I was moved back and forth from my mom's to my grandmother's because of money and education issues. I can remember wanting to be like the "other" kids, but I never felt part of their groups. My teenage years were vey awkward I didn't know where I fit in and I started to hang out with kids that didn't have the best intentions. Long story short, I started drinking alcohol and using drugs for recreation in my teen years. By the time I turned 19 I was already addicted and alcoholic. I made bad choices for a number of years, I never wanted to be a bad kid, but I was. I was not a drug dealer, I used drugs. I was the lowest of loosers, I couldn't keep a job, a home or a car. The only reason I am here today is because I was arrested and given the choice to live in a rehabilitation center. For that I am forever grateful.

3. Explain why I am requesting a pardon:

Living sober has taught me great respect for laws and the people that abide by them. Talking with my friends and co-workers about serving on jury duty makes me feel ashamed of my self . I would like the ability to be considered for jury duty.

I have worked in hospitals for 17 years, I passed my nursing boards in 2006. Every time I have changed employment positions in nursing, I have had to report my past. The expungement I received in March of 1999 has helped my career tremendously.

For many years I have looked at working for the government in healthcare. I would like to have the ability to apply for nursing positions in government healthcare.

My biological family was raised with yearly hunting trips. My father-in-law enjoys skeet shooting, however, I can not join him. I would like the ability to bond with him.

My stepchildren attend schools in a conservative school district, background checks for field trips are mandatory. My wife and I feel that a pardon would be the last legal step I could take to clean my record.

4. **Provide a brief statement explaining why I should be granted a pardon:**

While I living sober in Calfornia I did my best attending meetings, sponsoring alcoholics, bringing meetings into hospitals, boys homes, detoxes and institutions. All while I worked in healthcare and attended San Francisco City College, San Francisco State University and De Anza College. I also volunteered in SFGH ER, RockMed, The American Lung Association and National Ski Patrol programs.

I celebrated twenty years sober 7/17/2012. The A.A. meetings I attend here in Tennessee, continue to help me grow as a married man in a blended family with three children. My wife and I own our home and we do work full time. I earned a nursing degree while I worked full time at Vanderbilt Medical Center, RN# 0000160056. I am a law abiding citizen. I do feel I am ready to ask for a pardon, based on the work I have completed from 1991 to present. Thank you for your consideration.

Sincerely,

Michael Guy Engelman

I have not had any drug relatd activities since 1976. I have had to take all sorts of odd jobs that did not ask background questions. In 1988 I discovered that I could get a real estate license.

Why you are requesting a pardon?

I am 64 yrs. old. This conviction has cost me my marriage, numerous employment opportunities and has forced me to lie to my friends when they ask me, Why did you get that job? How do you always get out of jury duty?

Why don't you want to go shooting or hunting with us? I made one mistake when I was young. I feel that I have been punished long enough. I just want to be a normal citizen with all my rights restored.

Give a brief account of your offense. .

I grew marijuana in my backyard. When I was arrested the LAPD weighed the plants with stalks, roots, dirt, etc. This resulted in an 'amount that a person could not use by themselves'. Therefore they assumed that I was selling it and charged me with possession for sale. I was not selling the marijuana. I was actually giving it away to my friends.

If you knew me you would then know that I this benevolent side to me: Hey, guys I grew this stuff. Wow! I have too much. Want some? I was never a drug dealer. I am the kind of guy that lets people win at sports so they won't be upset from loosing.

My attorney told me that if I pleaded guilty he could keep me out of jail. He charged me all the money I had in my savings account leaving me $100. He told me that a jury trial would cost me a lot more. Because I did not have the funds to pay him, he did not care to show the court that I am not a drug dealer. He never addressed the fact in court that the dirt and stalks were weighed inflating the amount noted. He advised me to plead guilty. He plea bargained to keep me out of jail. I agreed not knowing what the consequences would be; for the rest of my life!

He was sentenced on or about November 2, 1992, in the Superior Court of the State of California in and for the County of San Diego, for the crime of inflicting corporal punishment on a co-habitant. He served two years probation. He was discharged on November 2, 1995, having completed his sentence.

Raymond Gene Frey has complied with the provisions of Sections 4852.01 to 4852.2, inclusive, of the Penal Code of California, which provide a procedure whereby a person may, after completion of their sentences, seek restoration of the rights of citizenship, and apply for a pardon. He has obtained from the Superior Court of the State of California in and for the County of San Diego, an order dated January 9, 2009, evidencing that since his release from custody, he has lived an honest and upright life, exhibited good moral character, and conducted himself as a law-abiding citizen. Indeed, Mr. Frey owns his own business, and has supported local charities, including a children's hospital and an area little league. By granting the Certificate of Rehabilitation, the court has recommended that he be granted a full pardon.

By the laws of this state it is proper that I, as Governor of the State of California, give testimony that, by completion of his sentence and good conduct in the community of his residence since his release, Raymond Gene Frey has paid his debt to society and earned a full and unconditional pardon.

THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, by virtue of the power and authority vested in me by the Constitution and statutes of the State of California, do hereby grant to Raymond Gene Frey a full and unconditional pardon for the above offense.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 24th day of December, 2013.

Vincent C. Okonkwo

Vincent C. Okonkwo, a resident of California, has submitted to this office an application for executive clemency.

He was sentenced on or about September 8, 1995, in the Superior Court of the State of California in and for the County of Los Angeles, for the crime of insurance fraud and perjury. Specifically, between 1990 and 1994, Mr. Okonkwo submitted false insurance claims for auto accidents and auto burglaries. He served one year prison, and one year parole. He was discharged on February 27, 1998, having completed his sentence.

Vincent C. Okonkwo has complied with the provisions of Sections 4852.01 to 4852.2, inclusive, of the Penal Code of California, which provide a procedure whereby a person may, after completion of their sentences, seek restoration of the rights of citizenship, and apply for a pardon. He has obtained from the Superior Court of the State of California in and for the County of Riverside, an order dated March 26, 2004, evidencing that since his release from custody, he has lived an honest and upright life, exhibited good moral character, and conducted himself as a law-abiding citizen. Indeed, since his discharge from parole in 1998, Mr. Okonkwo has earned a law degree and states that he has been active with his church. By granting the Certificate of Rehabilitation, the court has recommended that he be granted a full pardon.

By the laws of this state it is proper that I, as Governor of the State of California, give testimony that, by completion of his sentence and good conduct in the community of his residence since his release, Vincent C. Okonkwo has paid his debt to society and earned a full and unconditional pardon.

THEREFORE, I, EDMUND G. BROWN JR., Governor of the State of California, by virtue of the power and authority vested in me by the Constitution and statutes of the State of California, do hereby grant to Vincent C. Okonkwo a full and unconditional pardon for the above offense.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 24th day of December, 2013.

STATE OF CALIFORNIA

I, _____ *, District Attorney of the County*

of _____ *, State of California, do hereby acknowledge receipt of*

notice from _____ *that he/she intends to apply to the*
Name of Applicant

Governor of the State of California for a Traditional Pardon.

Sir,

I am requesting a Traditional Pardon, Back a little more than 12 years ago my wife and I were involved with the possession of an illegal substance. We were arrested with less than a gram of cocaine, We were no big time dealers, but were 2 people with 2 very large problems.
Our probation officer (wife and I had same probation officer), asked my wife and I many times why we were convicted as felons when arrested with only ¼ gram in our possession, I personally had no answer for him, all I know for certain is the whole mess was a blur.. From the time we were arrested to the time we were out of custody and our trial was completed, all we wanted was for this nightmare to be over.
Now 12+ years later I find myself requesting a Pardon, I want my rights as a good tax paying citizen whom has followed and achieved an honest productive life. One that has earned us a beautiful "adopted" granddaughter and a marriage that is much closer because of what we have been threw.
As stated in the instruction pack I received.. Standards of Penal code section 4852.05 must be followed and I have not only followed this code I have surpassed it many times.
Actually this was the only time I/we have ever been in serious trouble with the law? When I was a kid my procrastination in paying traffic violations got me in trouble a couple times but other than that nothing.
I have always been courteous, productive, honest a poster board citizen that always went out of his way to be helpful to others in need, heck I didn't even litter so much as a gum wrapper?
All my wonderful habits were picked up in Viet Nam, cussing, drinking, smoking and yes this terrible addicting habit of drugs.
The reason for this request for a pardon would be to regain my rights as a hard working, tax paying citizen and Veteran who fought for these rights while in Viet Nam, where I actually picked up this terrible habit.
Since my release from jail and my hearing/conviction, I had to undergo treatment not only threw State Agencies but also Federal Rehabilitation.
I was working at Ft. Ord at the time and to save my job and because I was a Vet the Dept. of the Army realized that Viet Nam was were most Vets picked up this terrible disease called drugs.
I can type until my fingers numb, but the only way I can really have you understand how sincere I really am is to meet myself, my family and friends.
I would like to have my Brother-in-law Eddie Myers who was in Sacramento And was head of the California Correctional Facilities write a letter in my behalf but I do not want to involve him any more than I just have.

But if what I have written is questionable or unbelievable and this determines my request not being approved I am sure Eddie would put in his 2 cents.
All I want is my rights as an American Citizen, that I have worked for, paid Tax's for, and fought for (I hope that's what we were fighting for, there is questions about this fact).
I am now 54, Married to my best friend, we adopted our Granddaughter at age 2 months and she is now 4 going on 5 years old.
My Daughter (25) has asked me many times why I don't vote? And constantly asks why I don't take care of this Felony? Well I tried once and was denied? And it is because I broke my probation a couple of times with-in that year's time.
I will not lie or even try to hide the fact that I was weak, and that this terrible habit was a lot harder than I could ever imagine.
But after that year I have won this war, and I am a better person for it.
I even volunteered myself as a Drug Counselor with the Department at Ft.Ord.
And when ever I see a kid that is on this stuff (and I notice more than others), In my own sly way I'll walk and talk to them, because I was down that road and know exactly where it leads...
That's it my fingers are getting numb, I leave this now in your hands, please take what I wrote as serious and sincere as you possibly can via a letter and realize that I put in my 12 plus years and this drug thing is totally in the past!
Thank you for taking the time to read and if there is anything? Any questions or any doubts to my sincerity please feel free to contact me.

Thank you, JPO'Neil

I am a successful entrepreneur who has the opportunity to invest in potentially successful ventures in both the banking and entertainment industries. A felony conviction which occurred over twenty years ago at the age of nineteen has precluded me from participating in a number of such business ventures.

Currently, I have several different business matters which are pending. This felony conviction will hamper the process of "due diligence" which is required. It will also result in the strong likelihood that my company will be unable to pursue such ventures. I am currently the owner of a property called "The Lazy R River Ranch". This is a 2,700 acre ranch located near Boerne, Texas. My present plans call for developing this property into a working cattle ranch as well as a revenue producing hunting lease property. The felony conviction presents a problem due to the nature of the business because it precludes the ability to own weapons.

Lastly and most importantly, I have refrained from any contact whatsoever of a criminal nature. I am deeply remorseful for the actions which resulted in this conviction, and I believe I have learned from the unfortunate mistake.

Thank you for your courtesy and assistance.

On January 29, 1991, I was convicted in the Superior Court of California, County of San Bernardino, of a single count of Health & Safety Code section 11378, and sentenced to 36 months (3 years) formal probation, in case no. FWV26616/RCR 18368. My probation terminated on January 29, 1994.

On May 20, 2003, the Honorable Frederick A. Mandabach of the San Bernardino County, Rancho Cucamonga Superior Court, granted my request for an Expungement pursuant to California Penal Code section 1203.4. (Please see attached, **Exhibit A**.)

2. Circumstances of the Crime

At the time of this offense, I was in my early 20s, young, and struggling with an addiction. Around Christmas, I was laid off from my position as a Journeyman Machinist with McDonnell-Douglas Aircraft in Torrence, California. I had too much time on my hands. Shortly after I was laid off, three (3) to four (4) of my friends decided to pool our money together to purchase methamphetamine. I was appointed to purchase the narcotics. Afterwards, I was to meet my friends at a motel in San Bernardino. There was some activity in the parking lot of the motel, and the office manager called the police. Some of the individuals in the parking lot indicated to the police that they were heading to the room I was staying in. Consequently, the authorities were directed to my rented motel room, where I was ultimately found with the methamphetamine. I took full responsibility for my actions, and pled guilty to the charge in an expeditious manner.

There was absolutely no use of violence, and no weapons were found on me or in the room. I was forthright and readily confessed my wrongdoing in the early stages of the investigation.

3. The Purpose for my Request for a Pardon

I married my beautiful wife [redacted] in 1996, and we have a son together, [redacted] He is a 15-year-old bright student, with the whole world at his fingertips. I am ashamed of my past mistakes, and want to put them behind me and move forward. I want to show to my son that I am a better person than I was then, and that I am trying to be the best father to him as I can be. I want to show not only my son, but to the whole world, that I am a changed man.

Since 2005, I have worked with the City of Phoenix, Arizona, on the Regional Wireless Cooperative (RWC) Public Safety Radio System. RWC is accessed through a consortium comprised of several city governments throughout Maricopa County. These governmental entities, mostly fire and police departments, use RWC as a tool to maintain public safety in their respected communities. I build the radio sites, towers and shelters, install the equipment, and maintain it thereafter. My job essentially is to make sure that this radio system is in top working order so that public safety calls - 911 calls - can be made by citizens and received by these governmental entities.

I maintain the radio system at several different sites throughout the area, including military bases and airports. RWC also works with Homeland Security; specifically, with the Border Patrol. As you can imagine, my position requires security clearance in an array of fields. Every year, I am required to renew my badge for these security clearance purposes. I am and always have been forthright and up front about my criminal history, and every year, I relay this conviction on the Application - and every year, I am reminded and relive the experience. Even with an Expungement, I am still disappointed with myself that I have not done enough to put this behind me. With a Governor's Pardon, I feel that not only will I know that I have explored every recourse, but I can also show to my supervisors and superiors that I am truly rehabilitated. It is just one more step I can take to show that I have changed for the better.

Furthermore, the City of Phoenix is down-sizing, and my job may be at jeopardy. A Pardon will allow me to expand into other departments of the government, such as a police/fire technician.

4. Why I Should be Granted a Pardon

Immediately after my conviction, I made it my goal to pursue my education, to sharpen my telecommunications and electronics skills, and to make something of my life. On April 24, 1992, while still on Probation, I received my Diploma in Communication from the Associated Technical College, School of Telecommunication. (Please see attached, **Exhibit B**.) I received the following Certificates of Accomplishment with the Associated Technical College for successfully completing the below courses:

- GLX installation - March 20, 1992
- GMX-48 installation - May 8, 1992

(Please see attached, **Exhibit C**.)

After graduation, my zest for electronics led me to a job with Motorola. I worked for Motorola on a military contract to maintain the radio systems in the following cities of San Diego County: National City, El Cajon and Escondido. I completed several training programs with Motorola. My certifications include:

- Foam Dielectric Coaxial Cables – September 28, 1993
- MTR2000 Base Station – November 12, 1997
- Zetron 640 & 2000 Series Terminals and Nucleus Transmitter Installation – 1998
- Trunked/Conventional Centracom Series II – June 17, 1998
- ASTRO Systems Overview – October 13, 1998
- Centracom Gold Elite Series – March-8, 2002
- Quantar – April 23, 2003
- RTW - 6.X Overview – May 11, 2004
- XTS 5000/XTL 5000 Radio Maintenance, CPS Programming and Template Building – February 25-29, 2008
- ASTRO 25 IV&D Trunked System Overview – April 4-30, 2008
- ASTRO 25 IV&D Assessment – April 30-May 1, 2008
- ASTRO 25 Networking – May 5-9, 2008
- ASTRO 25 Release 7.4 Radio System Management – June 23-27, 2008
- ASTRO 25 Release 7.4 Master Site Workshop – July 7-11, 2008
- ASTRO 25 System IP based Simulcast Site Workshop – July 23-25, 2008
- MOSCAD NFM Operator/Programming/Maintenance – August 11-15, 2008
- MCC7500 Dispatch Console – September 16-19, 2008

(Please see attached, **Exhibit D**.)

I am also certified as an Fiber Optic Technician. (Please see attached, **Exhibit E**.)

In 2005, I began working with the RWC Public Safety Radio System. While working in this capacity with the City of Phoenix, I have received General Electric (GE) Certificates for completing the Diamond II Certification Course and the Diamond II Systems Administration Course. (Please see attached, **Exhibit F**.)

I am also certified with ComTrain, which teaches tower climbing safety, fall protection and rescue and tower construction and technology. I have been certified in Tower Climbing Safety and Rescue with ComTrain since December 15, 1998. On January 25, 2012, I was re-certified as an Authorized Climber/Rescuer. (Please see attached, **Exhibit G**.)

Recently, I have been offered to take on the role of Tower Safety and Rescue Instructor. This new position will begin in December, 2012.

I have several friends and co-workers who can speak of my excellent character and worthiness to be granted this final step in my rehabilitation. I have included for your review eight (8) letters from these individuals, attached as **Exhibit H**. Below please find excerpts of their kind words:

- Keith Cody, a Wireless Infrastructure Engineer and supervisor of my team on the RWC Public Safety Radio System, writes: "*Over the past seven years I have come to know Angelo to be an honest, kind and sincere individual with outstanding work ethics.*"

- Sam Shelton has known me for 16 years, and explains, "*Angelo has always displayed a high degree of integrity, responsibility, and ambition.*" He adds, "*He is definitely a one of good character.*"

- Hector Gutierrez, a fellow co-worker, states: "*Angelo has become a trusted friend to me. He has a strong moral character. He is honest and trustworthy, he cares for the safety of those around him. He is a good friend to me.*"

- Juan Ramos has known me for several years, and describes me as "*a family man, a working man and a good citizen.*" He adds, "*He has mended his ways and lives his life in a proper manner.*"

- Gerald Birnbaum writes, "*Angelo Urias has been an outstanding honest, hardworking individual since I have known him.*" He includes, "*[he] is always willing to help out in any way that he can.*"

- Reuben Garcia, a trusted co-worker and fellow church-goer, states: "*Angelo is a very good father, husband, and hard worker, he is well respected by many and is the type of guy that anyone could go to and ask for help if they need it.*" He further writes, "*I thank God everyday for bringing a great friend like Angelo into my life.*"

- Keith Klein, the Senior Wireless Systems Technician, and another supportive supervisor of mine, explains, "*I have had the chance to get to know Angelo, and you are dealing with a person of very good moral character. He operates with integrity, and never has a bad word to say about anyone.*"

- Mike Perham is my Pastor at the church my family and I attend weekly, Vision Baptist Church. A wonderful man, he describes me as a "*trusted volunteer that I can personally depend on.*" He goes on to write, "*I have witnessed Angelo's character up close and his integrity from afar.*" He adds, "*Angelo, his wife* [redacted] *and son* [redacted] *live lives of open arms of helping and encouragement to anyone around them.*"

I live with the shame of my conviction every day. Since my arrest, I have rigorously worked toward my goals, and entered into a more positive lifestyle, surrounded by good friends and supportive family. I feel truly rehabilitated, and as such, I respectfully request my Application for a Pardon to be granted.

To whom it may concern,

Hello, my name is Juan Ramos and I am writing this letter of reference for my good friend Angelo Urias. I met Angelo in 2004 when I began working for Day Wireless, a Radio Communications company in San Diego, Calif. I worked with him until he moved in 2005 to Phoenix, Arizona to work in the same field with the City of Phoenix.

We have kept in touch throughout the years and he helped me out when I transitioned to a new job in the same line of work for Maricopa County also in Phoenix.

Angelo and I had a good rapport from the beginning because as myself he is a family man, a working man and a good citizen. From what I understand when he was young he made a mistake that got him in trouble with the law. But I would not of known had he not told me. I have never seen any behavior from Mr. Urias that I consider questionable.

Please consider Mr. Urias's request for Pardon. He has mended his ways and lives his life in a proper manner.

Sincerely,

Juan Ramos

Dear Sir or Madam,

The purpose of this letter is to speak of the character of Angelo Urias, whom I have worked with for 7 years at City of Phoenix Radio Shop.

In Angelo's time as my subordinate, I have grown to trust him with more and more responsibility, because Angelo has proven to be reliable and efficient with all types of work. He enjoys being at work, and is always actively seeking new projects or assignments to stay busy.

I have had the chance to get to know Angelo, and you are dealing with a person of very good moral character. He operates with integrity, and never has a bad word to say about anyone. He is a hard working employee, and always completes his job assignments.

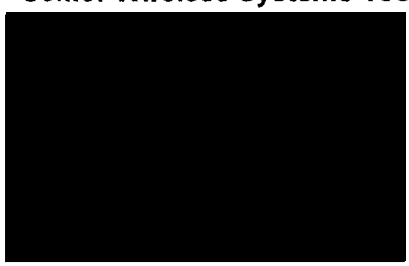
On a personal level, may I just say that I really like Angelo, and I have no doubts about his abilities to succeed in any of his future endeavors.

Please contact me if you have any questions.

Sincerely,

Keith Klein

Senior Wireless Systems Technician



Dear Friend,

It has been my great privilege to know Angelo Urias and his family for the last six years. Angelo and I have been neighbors, friends and fellow church members at Vision Baptist Church in Glendale, AZ.

I have been the Urias's pastor during this time period and have seen Angelo in 'action'. Over the years Angelo has volunteered hundreds of hours to the church. He has coordinated the sound department at church. This has required him to donate every Saturday afternoon and Sunday morning to work out the kinks of our microphones and speakers each week.

For many years Angelo stored the church trailer at his house and has been a trusted volunteer that I can personally depend on. Our church family has benefited much from the Urias's good will and godly spirits. They lend a helping hand to anyone in need and seek to encourage the disheartened.

Our families have done many activities together; fishing, off roading in his Jeep and camping to name a few not to mention the neighborly favors Angelo has done for us over the years.

I have witnessed Angelo's character up close and his integrity from afar. Angelo is the same at home, at play, at church and from what I hear at work also. If I was in need of something and had to depend on a person to call, Angelo is someone I have asked and am confident that if he can help he will!

Angelo, his wife [redacted] and son [redacted] live lives of open arms of helping and encouragement to anyone around them.

I was asked to be a reference for Angelo, and I will stand beside him in anyway or to speak on his behalf I will do it with utmost confidence that the Angelo I know is a man of accountability, honesty and kindness.

I would be happy to answer any questions you may have in reference to Angelo's life. I have seen him from many sides, in varying situations and different environments and am pleased to call him a friend.

The Bible says that "a man who has friends must show himself friendly" Angelo's life is characterized by this verse.

If you need anyone in the future in reference to Angelo please let me know.

Sincerely,

Mike Perham

Governor Jerry Brown
c/o State Capitol, Suite 1173
Sacramento, CA 95814

Dear Governor Jerry Brown,

I am writing you with the deepest of hope that you will help me. You are the only person who can. I am aware that there are proper procedures to follow to contact you. I will have to explain why it appears no other option but a direct letter to you will work for me.

I have contacted every possible office in California and they are not able to do anything to help me. Veronica Quick, from the Orange County, California Public defenders office was kind enough to review with me all the option I researched. My situation does not have any guide lines on how I can resolve my problem given my situation. Veronica also made the effort to help me research any possible areas of help in Texas. I have contacted every possible office in Texas and they will not do anything to help me because I am a law abiding citizen and the issue happened in California.

I cannot go back to California to request records in person as the paper work has said is required. I do not live in California so I cannot participate in the New Leaf Program for a Certificate of rehabilitation.

I lived in California for about 20 years. I moved to Texas about 3 1/2 years ago. I recently have been on a job search. I was rejected from a retail job that would have provided a foundational career opportunity. They rejected me because of a felony conviction I had about 17 years ago. This felony conviction was possession of methamphetamine in Orange County, California. I had two probation violations. I believe for having a dirty test. The second violation I was sentenced to prison time. I know the common practice now is not sending people to prison for a second violation of probation from drug addition. People told me that it was not a common practice even back then.

About 17 years ago, I when I was 18 years old, I was still a stupid child. Back then I did find away to break that addiction. Since that time I have never have any violation of the law except a traffic ticket. I have gone to collage and completed a BA in Communication. I am currently working on a BS in Nutritional Science. My chosen

career path is to help educate others on what the earth naturally has provided us to help ourselves. I found I am really good at this and I enjoy it.

The problem I am having, is in the eyes of society, it appears that no matter what done in the past 17 years of my life, I am still being punished for a none violent law violation I did as a child. This rejection was a heavy emotional shock. How am I to support myself, when I people are judging the person I am today based on a mistake I made years ago?

I did not save the paper work when I threw away my negative way of living. I did not want to look back. As a result of this I do not have much information on it. I requested a copy of my discharge card. I will send you what information I have on my past record. I hope it can help.

From what I read, if I was sentenced to prison I can never have the charges dismissed. If this is wrong please let me know? I have read that I can receive a pardon from you. If you can give me a pardon, would you please do so? What ever it may be, that you can do to help me with this matter I will greatly appreciated. Maybe it will give me a chance to be employed again or a chance to have a career. Maybe it will truly give me the chance to live my life.

Sincerely,

Rebecca Rose Welton

Dear Mr. Baker

54years ago (1958) when living in Newport Beach, Ca. I made a huge regrettable mistake. A month or so after my 18th birthday I left a beach party and was being driven home by a "friend". I had too much to drink and was with the wrong person at the wrong time and a car was broken into. Best as I can recall, we were both arrested the following day. He was tried as a juvenile, as he was a few months younger than I, and I as an adult, Not remembering much that happened that night, and due to the fact "I was the adult" I pled guilty to a felony (2nd degree burglary) charge, as advised by public defender, to avoid a trial and possible prison sentence ***if*** found guilty. I was sentenced to 60 days in Orange County Jail and placed on 3 years probation. My original probation officer and I did not get along for numerous reasons. He violated me and I was reinstated with a new probation officer who became a turning point in my life. Upon near completion of probation, my then probation officer/mentor/friend (Howard Fenn), along with an attorney in the public defender's office, advised me to go back to court and request remaining probation be terminated, reverse my plea, have the felony set aside, and dismissed . I appeared in Orange County Ca. Superior Court and all requests were submitted to, and granted by. Judge Robert Gardener.

I was able to begin the process of restarting my life as a responsible adult, with a few bumps along the way. I met my wonderful wife and got married in 1963 (50 yrs next April 6th, 2013) , learned a trade and worked for an appliance sales and service company (Davis Brown Co) in Costa Mesa, Ca. for 17 years, the last 2 years as service manager. In 1980 my wife and I refinanced our home, invested all of our savings and started our own appliance repair company in Costa Mesa, CA. We worked long hours seven days a week for several years. We purchased additional service vehicles began employing in home repair technicians and became successful (Harbor Area Appliance Services). After 12 1/2 years of 70 hr plus weeks and the onset of health problems (Diabetes, ulcers & high blood pressure), we sold our company and my wife and I semi retired to Arizona. Small business consulting, grand parenting, traveling, Colorado River boating, desert hiking, target shooting and A.A volunteer work became my hobbies.

Over these many years I have actively participated in Alcoholic Anonymous, have successfully sponsored well over a hundred people into, and during, sobriety. I have been sober myself for 32+ years. I was able to be bonded, obtain several Orange County, Ca. city business licenses and Calif. State License's. Earned a master technician degree from Frigidaire Division of General Motors, establish General Electric Corporation, Maytag Corporation, Whirlpool Corporation business accounts, obtain a passport, become a registered voter, serve jury duty, was a contributor & participant in March of Dimes charity drive, coached little league baseball 2 yrs, participated in amateur desert motorcycle racing, I am a 10 gallon blood donor, volunteered 3 years as scorekeeper USA open and Jr. Olympic Karate Tournaments (Caesar's Palace, Las Vegas)) and mentored my 15 yr old granddaughter to 1st degree black belt status (Hiroshi Allen Dojo) When living in Arizona I purchased several hand guns and was approved by **all** the necessary agencies prior to taking possession. I trained for and received a concealed weapon permit from the Arizona Dept of Public Safety. The reason being so that I could legally transport firearms 3 miles outside city limits to several target shooting areas, I never have nor never felt it necessary to personally carry a firearm. In 2009 I provided all of mine, my wife and granddaughter's personal pertinent information to, and was cleared by, homeland security to have lunch in the Capitol Bldg with

Senator's Harry Reid and John Ensign and have a personalized tour of the Capitol & White House. Many of these endeavors required extensive background checks with absolutely no problems.

Our granddaughter was born in Las Vegas NV 1997 and we moved here in 1998.

Several months ago I was advised by my daughter that it was necessary to "re-register" my handguns from Arizona to Nevada. When in the process of doing so I was informed I had a felony **arrest** 54 years ago (per FBI records) and my handguns were held for "safe keeping" (per incident report) I was advised problem was, most likely, a "glitch" in how reverse plea, and dismissal were entered/recorded in states data base and recorded by Dept. of Justice in California. Upon leaving police Dept. I was given my handgun permits/registrations (no handguns returned) and instructed to contact the courts and/or Dept. of Justice and they can sort it out. Las Vegas Metro Police Department has been wonderful and has assisted me, whenever possible, to resolve this matter. Over the past several months I have sent letters and made numerous telephone inquiries to Las Vegas, NV & Orange County Ca. District Attorney Office's, Public Defenders Office, Judicial Centers, Dept. of Justice and Police Dept's. Most everyone I "was able" to speak with suggested that due to no longer available police reports and my trouble free passage of time I should request a pardon. A Court document (enclosed) now states felony set aside and dismissed, which I thought, for all these years, was sufficient to satisfy everyone. I made a wrong time, wrong place, and wrong person mistake while intoxicated one month after becoming an adult and paid, what I thought, was my debt to society. I have been married for almost 50 years; I am a devoted husband, parent, grandparent and great grandparent. I take pride in the fact that I have consistently set the bar high for myself personally, been an exceptional role model and have lived a responsible, dedicated, law abiding, productive life for half of a century since my unfortunate mistakes. Please help me resolve this matter. Primarily I would like to clear my name. Recover and sell my firearms to a responsible, licensed gun dealer. Then continue enjoying retirement and my grand and great grandchildren. Any assistance your office could provide me correcting this matter would be tremendously appreciated.

Very Sincerely, Gary E Wilson
