

OFFICE OF THE GOVERNOR

SEP 19 2014

To the Members of the California State Assembly:

I am returning Assembly Bill 1969 without my signature.

When viable, the University of California, California State University and California Community Colleges have coordinated on major information technology projects.

I prefer to maintain the current flexibility that allows the segments to identify and pursue opportunities for joint projects when it makes programmatic and fiscal sense.

Sincerely,

  
Edmund G. Brown Jr.
