

OFFICE OF THE GOVERNOR

SEP 30 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2132 without my signature.

This bill would require the California State University and request the University of California to consider community service for the purposes of appointment, promotion, retention, and tenure review.

While I value the service contributions of faculty members, this bill is duplicative of existing systemwide policies that already identify service as a criterion for faculty reviews and personnel decisions.

I believe that the extent to which service is considered in such decisions should be a local, campus-based decision.

Sincerely,

Edmund G. Brown Jr.
