

OFFICE OF THE GOVERNOR

SEP 23 2012

To the Members of the California State Assembly:

I am returning Assembly Bill 2200 without my signature.

This bill would suspend the carpool lane on eastbound I-80 in the Bay Area during the morning commute.

Encouraging carpooling is important to reduce pollution and make more efficient use of our highways. This bill goes in a wrong direction.

Sincerely,

Edmund G. Brown Jr.
