

OFFICE OF THE GOVERNOR

SEP 20 2011

To the Members of the California State Senate:

I am returning Senate Bill 386 without my signature.

This bill would order state park staff to put certain information on the internet and answer inquiries about park closures. A good idea but not one that needs a law.

What the parks do need is sufficient funding to stay open -- something I feel compelled to note the author and his colleagues refused to let the people vote on.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a large, stylized flourish at the end.
