

OFFICE OF THE GOVERNOR

SEP 28 2016

To the Members of the California State Senate:

I am returning Senate Bill 1132 without my signature.

This bill would allow a person to use the title architect-in-training if, they have earned a high school diploma and are enrolled in the National Council of Architectural Registration Board's Experience Program.

In May 2015, this very same Board discouraged the use of any title that implied a person was an architect, stating "architects are those who have met all the requirements to become licensed...everyone else is not an architect." I agree with this assessment.

Sincerely,

Edmund G. Brown Jr.
