

OFFICE OF THE GOVERNOR

SEP 14 2018

To the Members of the California State Assembly:

I am returning Assembly Bill 2656 without my signature.

This bill requires towing and storage facilities to accept a debit card as a form of payment and allows licensed repossessioners to collect vehicles from these facilities.

Current law allows a registered owner, a legal owner or an owner's agent to claim an impounded vehicle. It is unclear to me why licensed repossessioners should be added to this list.

Sincerely,

Edmund G. Brown Jr.
