

OFFICE OF THE GOVERNOR

SEP 27 2019

To Members of the California Assembly:

I am returning Assembly Bill 1591 without my signature.

This bill would require the Insurance Commissioner (Commissioner) to appear before the Senate and Assembly Insurance Committees on a biennial basis to provide a presentation on the National Association of Insurance Commissioners' (NAIC) accreditation process. The bill also authorizes the Commissioner to provide the presentation to the legislative budget committees.

While I support the purpose of AB 1591, I do not believe that a statutory mandate is necessary for the Commissioner to appear before the Legislature to share information related to the NAIC's accreditation process.

Sincerely,

Gavin Newsom
