

OFFICE OF THE GOVERNOR

**OCT 12 2019**

To the Members of the California State Senate:

I am returning the following bills without my signature:

AB 1382  
SB 611

These bills create an aging housing task force and a master plan for aging that focuses on workforce priorities, and require the state to consider applying to join a voluntary network.

Earlier this year, I issued Executive Order N-14-19, which directs the Secretary of the Health and Human Services Agency to work with a broad array of stakeholders, including the Legislature, to develop a Master Plan for Aging to serve as a blueprint that can be used by state government, local communities, private organizations and philanthropy to build environments that promote healthy aging. Issues relating to workforce and affordable housing needs, as well as opportunities to engage with other jurisdictions, will be considered as part of this holistic approach to addressing the needs of older Californians.

When the Master Plan is completed, I look forward to working with the Legislature to evaluate and implement its recommendations.

Sincerely,
