WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS on March 19, 2020 I issued a statewide Order directing all residents to heed current state public health directives to stay home except as needed to maintain continuity of operations of critical infrastructure sectors during the COVID-19 response; and

WHEREAS the COVID-19 pandemic and the necessary physical distancing measures implemented have affected governmental agencies, private businesses, and California residents alike, with associated impacts on adherence to certain statutory deadlines; and

WHEREAS certain businesses have been unable to operate, or are otherwise significantly impacted, as a result of COVID-19 and require administrative relief; and

WHEREAS certain corporations are unable to conduct in-person shareholder meetings due to physical distancing requirements; and

WHEREAS the State is conducting or may conduct critical emergency activities at fairgrounds and existing law restricts the Fairs' access to the Fairs and Exposition Fund; and

WHEREAS the Women, Infants, and Children (WIC) Program is designed to ensure program participants access to necessary nutrition and COVID-19 related scarcity has caused challenges in program participants' access to this nutrition; and

WHEREAS existing law requires the Division of Juvenile Justice and the Board of Juvenile Hearings within the California Department of Corrections and Rehabilitation to be reestablished under the California Health and Human Services Agency as the Department of Youth and Community Restoration, and requires the transfer to be completed by July 1, 2020; and

WHEREAS the Division of Juvenile Justice, the California Health and Human Services Agency, and the California Department of Corrections and Rehabilitation have taken numerous steps over many months to initiate the transfer, but the threat of COVID-19 has newly forced Division of Juvenile Justice to redirect available resources to preventing COVID-19 from entering the juvenile facilities and to protecting and serving the youth residing in and the staff working in these facilities, and has forced California Health and Human Services Agency to redirect resources from assisting Division of Juvenile Justice with the transfer to addressing the broader COVID-19 emergency; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.
NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following Order to become effective immediately:
