

**EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA**

**EXECUTIVE ORDER N-65-20**

**WHEREAS** on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

**WHEREAS** despite sustained efforts, COVID-19 continues to spread and is impacting nearly all sectors of California; and

**WHEREAS** the COVID-19 pandemic and the physical distancing measures implemented to combat it have affected governmental agencies, private businesses, and members of the public, with associated impacts on adherence to certain statutory and regulatory deadlines and other requirements; and

**WHEREAS** the COVID-19 pandemic has also put increased strain on community-based organizations that combat domestic violence, making it more difficult for those organizations to satisfy certain state grant requirements at a time when there is a critical need for domestic violence prevention and survivor support; and

**WHEREAS** many state and federal agency offices have closed and shifted their workforce to remote locations as a result of public health requirements regarding physical distancing, limiting the public's access to many state and federal agency offices; and

**WHEREAS** schools in California have closed their campuses and shifted their resources and workforce capacity to implement distance learning to provide ongoing educational support and services to the preschool through grade 12 students in California, limiting their ability to process verifications necessary for the administration of financial aid for graduating students and changing the grading for courses during the impacted academic terms; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:
