

## EXECUTIVE ORDER N-66-20

**WHEREAS** on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

**WHEREAS** the COVID-19 pandemic and the physical distancing measures implemented to combat it have affected governmental agencies, private businesses, and members of the public, with associated impacts on adherence to certain statutory and regulatory deadlines and other requirements; and

**WHEREAS** as a result of COVID-19, individuals seeking to obtain teacher credentials have been unable to meet certain credentialing requirements, and it is necessary to provide flexibility to minimize the impacts to these individuals and the State's supply of qualified teachers, while maintaining high teacher-credentialing standards; and

**WHEREAS** many Californians are experiencing substantial losses of income as a result of business closures, the loss of hours or wages, or layoffs related to COVID-19, hindering their ability to keep up with their rent, leaving them vulnerable to eviction, and also impacting owners reliant on rent; and

**WHEREAS** on April 16, 2020, the Department of Housing and Community Development issued guidance on relief options available to developers and property owners of Department-funded developments experiencing cash flow shortages due to decreased rental revenue as a result of COVID-19; and

**WHEREAS** certain projects and programs funded or administered through the Department of Housing and Community Development will continue to experience longer-term cash flow shortages as a result of COVID-19 and accordingly require continued and expanded administrative relief; and

**WHEREAS** said projects and programs funded or administered by or through the Department of Housing and Community Development serve essential public purposes such as promoting and maintaining affordable housing for Californians and assisting Californians experiencing or at risk of homelessness; and

**WHEREAS** the Coronavirus Aid, Relief, and Economic Stimulus (CARES) Act (Public Law 116-136) provides supplemental funding through the U.S. Department of Housing and Urban Development to the Department of Housing and Community Development's Emergency Solutions Grant and Community Development Block Grant programs to help cover higher anticipated costs and support administrative expenses related to actions to prevent, prepare for and respond to COVID-19; and

**WHEREAS** Public Law 116-136 additionally provides Community Development Block Grant recipients with new flexibilities with respect to the use of funding to support COVID-19 response; and

**WHEREAS** there remains an increased need for child care for families who may not have previously needed child care, or who may now require additional hours of child care; and

**WHEREAS** in light of the COVID-19 pandemic and stay-at-home order (issued via Executive Order N-33-20 on March 19, 2020), there remains an ongoing need to promote housing security and stability, and local jurisdictions may need to continue to take additional measures to protect public health and safety; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:

- (iii) Was unable to complete the CalAPA due solely to school closures; and
