

OFFICE OF THE GOVERNOR

SEP 28 2020

To the Members of the California State Senate:

I am returning Senate Bill 912 without my signature.

During the current state of emergency related to the pandemic, the State of California has addressed the needs of many of our vulnerable populations through executive orders that immediately extended benefits and waived specified requirements to remove obstacles to provide ongoing aid. Foremost among these actions was including over \$40 million in the 2020 Budget Act to allow nonminor dependents (NMDs) who would have otherwise aged out of extended foster care access to supports and services until June 30, 2021.

This bill, however, is seeking to extend court jurisdiction for all NMDs who aged out of extended foster care once the state of emergency was declared on March 4, 2020, until June 30, 2021. Further, this bill also would, for any statewide or county-by-county state of emergency declared by the Governor on or after January 1, 2021, require NMDs who turn 21 years of age while the state of emergency is in effect to continue to receive foster care support for six months from the date of the declaration.

Because disasters and pandemics vary and are difficult to predict, this bill would obligate the State to a specific approach that may not always be the most prudent or effective.

For these reasons, I am unable to sign this bill.

Sincerely,

Gavin Newsom
