

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER N-07-21

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS since March 2020, the State has taken decisive and meaningful actions to reduce the spread, and mitigate the impacts, of COVID-19, saving an untold number of lives, and to protect the ability of the State's health care system to deliver health care to all people in California who require it; and

WHEREAS the effective actions of Californians over the past fifteen months have successfully curbed the spread of COVID-19, resulting in dramatically lower disease prevalence and death, in the State; and

WHEREAS as of June 9, 2021, 54.3% of eligible Californians have received a full course of COVID-19 vaccination, raising the level of overall immunity in the State; and

WHEREAS the State continues to promote and facilitate vaccination of all eligible Californians; and

WHEREAS given the current outlook, it is appropriate to reevaluate existing public health directives to allow for a full reopening of California while maintaining caution and vigilance as California continues to increase vaccination rates and monitor COVID-19 variants; and

WHEREAS the California Department of Public Health and State Health Officer are empowered to issue mandatory public health directives to protect the public health in response to a contagious disease under existing State law, including, but not necessarily limited to, Health and Safety Code sections 120125, 120130(c), 120135, 120140, 120145, 120175, 120195 and 131080; and

WHEREAS to preserve the flexibility to modify public health directives and respond to changing conditions and to new and changing health guidance issued by the Centers for Disease Control, and under the provisions of Government Code section 8571, I find that strict compliance with the Administrative Procedure Act, Government Code section 11340 et seq., would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) Executive Order N-33-20, issued on March 19, 2020, setting forth the Stay-at-Home Order is hereby rescinded.
- 2) Executive Order N-60-20, issued on May 4, 2020, directing the State Public Health Officer to issue a risk-based framework for reopening the economy, and all restrictions on businesses and activities deriving from that framework, including all aspects of the Blueprint for a Safer Economy, is hereby rescinded.
- 3) Nothing related to the issuance of any Orders, guidance, or directives of the State Public Health Officer relating to COVID-19 shall be subject to the Administrative Procedure Act, Government Code section 11340 et seq.
- 4) Nothing in this Order shall be construed to limit the existing authority of local health officers to establish and implement public health measures within their respective jurisdictions that are more restrictive than, or that otherwise exist in addition to, the public health measures imposed on a statewide basis pursuant to the statewide directives of the State Public Health Officer.

IT IS FURTHER ORDERED that, as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 11th day of June 2021.

GAVIN NEWSOM
Governor of California
