IT IS HEREBY ORDERED THAT:

1. In order to directly respond to the needs of impacted assisted living facilities, adult residential facilities, child care facilities, children’s residential facilities, resource family homes, and other similar facilities within the Department of Social Services’ jurisdiction, the Director of the Department may waive any provisions of the Health and Safety Code or Welfare and Institutions Code, and accompanying regulations or written directives, with respect to the use, licensing, or approval of facilities or homes within the Department of Social Services’ jurisdiction set forth in the California Community Care Facilities Act (Health and Safety Code section 1500 et seq.), the California Child Day Care Facilities Act (Health and Safety Code section 1596.70 et seq.), and the California Residential Care Facilities for the Elderly Act (Health and Safety Code section 1569 et seq.). Any waivers granted pursuant to this paragraph shall be posted on the Department of Social Services’ website and shall only be in effect so long as necessary to address the direct impacts of the fires identified in this Order.

2. In order to ensure hospitals, clinics, and other health facilities remain open, the Director of the Department of Public Health may waive any of the licensing requirements of Chapters 1 and 2 of division 2 of the Health and Safety Code and accompanying regulations with respect to any hospital, clinic or health facility identified in Health and Safety Code section 1250 that is impacted by the fires. Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to remain open while protecting public health and safety. Any facilities being granted a waiver shall be established and operated in accordance with their disaster and mass casualty plan. Any waivers granted pursuant to this paragraph shall be posted on the Department of Public Health’s website and shall only be in effect so long as necessary to address the direct impacts of the fire identified in this Order.

3. In order to directly respond to the needs of behavioral health programs and facilities impacted by the fires, including alcohol and
other drug programs, adult alcoholism or drug abuse recovery or treatment facilities, driving-under-the-influence programs, narcotic treatment programs, psychiatric health facilities, mental health rehabilitation centers, social rehabilitation programs, skilled nursing facilities with special treatment programs, Lanterman-Petris-Short designated facilities, community treatment facilities, short term residential therapeutic programs, and children’s crisis residential programs, the Director of the Department of Health Care Services may waive any licensing, certification, or approval requirements for such programs under its jurisdiction located in: Welfare and Institutions Code, Divisions 4, 5 and 9; Health and Safety Code, Divisions 2 and 10.5; and accompanying regulations, written standards, or information notices. Any waivers granted pursuant to this paragraph shall be posted on the Department of Health Care Services' website and shall only be in effect so long as necessary to address the direct impacts of the fire identified in this Order.

4. The United States Environmental Protection Agency, the Federal Emergency Management Agency, or any other individual or entity performing work at their direction, shall have full power to provide mutual aid to the State of California and any areas affected by a local health emergency and will have the authority to enter private property in all impacted counties to remove debris that may contain hazardous substances, and to conduct any testing appropriate to ensure the hazards are mitigated. Any section of the Health and Safety Code allowing the immediate removal of this hazardous debris, including but not limited to section 101085, shall apply to and include the actions of the United States Environmental Protection Agency, the Federal Emergency Management Agency, or any individual or entity performing work at their direction, as if those agencies were a political subdivision or state agency for all purposes related to this operation.

6. Local elections officials in Alpine, Amador, Butte, El Dorado, Lassen, Nevada, Placer, Plumas, Shasta, Siskiyou, Tehama, and Trinity counties shall, upon demand, issue to an emergency worker a provisional ballot that may be identical to the provisional ballot offered to other voters in the county, using a process to be determined by the elections official, consistent with any rules or guidance issued by the Secretary of State.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.
This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 30th day of August, 2021.
