

## OFFICE OF THE GOVERNOR

**OCT 08 2021**

To the Members of the California State Assembly:

I am returning Assembly Bill 226 without my signature.

This bill would eliminate Children's Crisis Residential Programs (CCRPs) under the purview of the Department of Social Services and instead create Children's Crisis Psychiatric Residential Treatment Facilities (CCPRTFs) under the purview of the Department of Health Care Services, to provide intensive mental health care for children and youth, including those in foster care.

It is important that all California youth receive the mental health services and supports they need. My Administration has made it a priority to transform California's children and youth behavioral health system into one in which all children and youth are routinely screened, supported, and served for emerging and existing behavioral health needs, and is working to implement transformative investments in the 2021-22 Budget that further this cause.

AB 226 presents implementation challenges that cannot be overlooked or easily overcome. First, the bill would eliminate CCRPs, a Medicaid State Plan service the state is obligated to provide, creating a gap in the continuum of care for children and youth. Second, the bill does not appropriately identify the roles of the Department of Health Care Services, the county Mental Health Plans, and the California Department of Public Health in federally certifying the proposed CCPRTF program. Finally, should CCPRTFs be authorized as a treatment option, it is critical to develop adequate safeguards so children are not in CCPRTFs any longer than necessary. These safeguards are not included in this bill.

My Administration looks forward to working with the Legislature and stakeholders before the Legislature reconvenes on a proposed solution that is in the best interest of all youth experiencing mental health crises.

Sincerely,

Gavin Newsom
