

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-04-22

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS since March 2020, the State has taken decisive and meaningful actions, relying on the most current data and science available, to reduce the spread, and mitigate the impacts, of COVID-19, saving an untold number of lives; and

WHEREAS on June 11, 2021, as a result of reducing case rates throughout California at that time, I issued Executive Order N-08-21, which systematically rolled back many of the Executive Order provisions I put in place to ensure for the continued provision of public and essential services while preserving public health and safety; and

WHEREAS following my issuance of Executive Order N-08-21, the Delta and Omicron variants of COVID-19 spread throughout California, the United States, and the world, posing significant threats to the health and safety of Californians and necessitating additional decisive actions, including those implemented through Executive Order; and

WHEREAS as a result of the effective actions Californians have taken, including more than 73 percent of eligible Californians who have been fully vaccinated, another 9 percent of eligible Californians who are partially vaccinated, and more than 56 percent of eligible Californians who have received a booster, California has turned another corner in its fight against COVID-19, and in particular, the Omicron variant; and

WHEREAS on February 17, 2022, I unveiled the SMARTER Plan, which will guide California's strategic approach to managing the next phase of the COVID-19 pandemic while moving the state's recovery forward, with a focus on continued readiness, awareness and flexibility; and

WHEREAS in light of the current state of the COVID-19 pandemic in California, it is appropriate to, again, through measured and decisive action, roll back additional provisions of my COVID-19-related Executive Orders; and

WHEREAS certain provisions of my COVID-19 related Executive Orders currently remain necessary to continue to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic, including maintaining California's robust testing and vaccination programs and protecting hospital capacity, and the termination of certain provisions of my COVID-19 related Executive Orders during this stage of the emergency would compound the effects of the emergency and impede the State's recovery by disrupting the State's ability to support ongoing medical response and preparedness; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would continue to prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately:
