PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS beginning December 27, 2022, severe winter storms related to a series of atmospheric river systems struck California, bringing high winds, substantial precipitation, and river and urban flooding; and

WHEREAS it is forecasted that additional and continuing storms related to this series of atmospheric river systems threaten California, bringing heavy rainfall, expected flooding, strong winds and wind gusts, falling debris, downed trees, and widespread power outages; and

WHEREAS in preparation for the forecasted storms, multiple California Conservation Corps flood fight crews, fire swift water rescue, and urban search and rescue teams have been strategically prepositioned for emergency response; sandbags have been made available throughout the State; and shelters are opening for displaced individuals; and

WHEREAS these storms forced the closure and caused damage to highways and roads, as well as caused levee and culvert failures, and mandatory evacuations in severely impacted counties, and such impacts will likely continue to be caused by the forecasted storms; and

WHEREAS these storms threatened and continue to threaten critical infrastructure, movement of resources, burn scars from recent wildfires potentially causing mud and debris flows; resulted in and threaten power outages to thousands of households and businesses; and caused and continue to threaten river and urban flooding due to excessive and prolonged rainfall; and

WHEREAS due to the series of atmospheric river systems continuously impacting counties throughout the State, the counties have not had time to mitigate the cascading impacts of these storms; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to these storms; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by these storms, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the damage caused by these storms; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of these storms.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist throughout California.

for specified emergency purchases, and those rules are hereby suspended.
