*Judicial Branch demographic data: In response to the expansion of the mandate for the collection of demographic information from new judges and justices, the sitting judges and justices data collected by the Judicial Council of California on veteran and disability status include responses from those new to the bench in calendar years 2014 through 2023, as well as experienced judges and justices that chose to update their demographic information during the same period.

In addition, the gender identity and sexual orientation data collected for sitting judges and justices include responses from those new to the bench in calendar years 2012 through 2023, as well as experienced judges and justices that chose to update their demographic information during this same period. Thus, the data provided for these categories reflect only a subset of all sitting judges and therefore may not be reflective of the demographics of the entire judiciary.
