

**EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA**

**PROCLAMATION OF A STATE OF EMERGENCY**

**WHEREAS** on July 24, 2024, the Borel Fire began burning in the Sequoia National Forest and is one of several fires comprising the SQF Lightning Complex, which has burned more than 80,000 acres to date; and

**WHEREAS** the Borel Fire rapidly swept through communities, prompted evacuation warnings and orders, destroyed homes, and continues to threaten homes, other structures, and critical infrastructure in Kern County, with a Red Flag Warning remaining in effect; and

**WHEREAS** state agencies, including my Office of Emergency Services and the California Department of Forestry and Fire Protection, have been coordinating with and supporting emergency operations led by federal and local governments in response to the Borel Fire; and

**WHEREAS** in response to a request from my Office of Emergency Services, the Federal Emergency Management Agency approved a Fire Management Assistance Grant to assist with the mitigation, management, and control of the Borel Fire; and

**WHEREAS** under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the Borel Fire; and

**WHEREAS** under the provisions of Government Code section 8558(b), I find that the conditions caused by the Borel Fire, by reason of their magnitude, are beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

**WHEREAS** under the provisions of Government Code section 8625(c), I find that local authorities are inadequate to cope with the magnitude of the Borel Fire; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of the Borel Fire.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in Kern County due to the Borel Fire.

**IT IS HEREBY ORDERED THAT:**

Any waiver shall include alternative measures that, under the circumstances, will allow the facilities to remain open while protecting public health and safety. Any health facilities or agencies being granted a waiver shall be established and operated in accordance with their disaster and mass casualty plan or emergency preparedness plan. Any waivers granted pursuant to this paragraph shall be posted on the DHCS website and shall only be in effect so long as necessary to address the direct impacts of the Borel Fire in Kern County.
11. Adequate state staffing during this emergency is necessary for all state agencies and departments with an assigned response and/or recovery role. Consistent with applicable federal law, work hour limitations for retired annuitants, permanent and intermittent personnel, and state management and senior supervisors, are suspended.
