CALIFORNIA BOARD OF ACCOUNTANCY

Purpose: To protect consumers by ensuring only qualified licensees practice public accountancy in accordance with established professional standards.

Authority: Business and Professionals Code § 5000 et seq.

Appointing Power: Governor – 11
Senate Rules Committee – 2
Speaker of the Assembly – 2

Number: Fifteen (15)

Special Considerations: No public member shall be a current or former licensee of the board or an immediate family member of a licensee, or be currently or formerly employed by a public accounting firm, bookkeeping firm, or firm engaged in providing tax preparation as its primary business, or have any financial interest in the business of a licensee. Each public member shall meet all of the requirements for public membership on the board as set forth in Chapter 6 (commencing with Section 450) of Division 1. (Bus. & Prof. Code § 5000.5.)

Each member of the board, except the public members, shall be actively engaged in the practice of public accountancy and shall have been so engaged for a period of no less than five (5) years preceding the date of his appointment. Each member shall be a citizen of the United States and a resident of this state for at least five (5) years next preceding his appointment, and shall be of good character. (Bus. & Prof. Code § 5001.)

Additional statutory requirements for public members shall be as follows under Bus. & Prof. Code §§ 450 et seq.

Qualifications: Governor: (Bus. & Prof. Code § 5000.)

- 1) Four (4) public members;
- 2) Seven (7) licensed members.

When appointing licensed members, the Governor shall appoint members representing a cross section of the accounting profession.
(Bus. & Prof. Code § 5000.)

One (1) licensee member appointed by the Governor may be an active educator within a program that emphasizes the study of accounting within a college, university, or four (4)-year educational institution. (Bus. & Prof. Code § 5001(b).)

<u>Qualifications</u> (continued)	<u>Senate Committee on Rules</u> appoints two (2) public member. (Bus. & Prof. Code § 5000.) <u>Speaker of the Assembly</u> appoints two (2) public members. (Bus. & Prof. Code § 5000.)
<u>Term:</u>	Four (4) years. Vacancies shall be filled by appointment for the unexpired term of a person licensed in the same capacity as the person being replaced. (Bus. & Prof. Code § 5002.)
<u>Term Limits:</u>	Cannot serve for more than two (2) consecutive terms. (Bus. & Prof. Code § 5002.)
<u>Grace Period:</u>	Members shall hold office until the appointment of a successor or until one (1) year shall have elapsed since the expiration of the term for which he or she was appointed, whichever first occurs. (Bus. & Prof. Code, § 5002.)
<u>Compensation:</u>	One hundred dollars (\$100) for each day spent on official duties and traveling and other related expenses (Bus. & Prof. Code § 103.)
<u>Meeting Frequency:</u>	Shall meet at the call of the president and executive officer, but not less than twice a year. Any two (2) members of the board may request the executive office to call a special meeting, and the executive officer, upon receiving that notice, shall call a meeting pursuant to the procedure prescribed herein. (Bus. & Prof. Code, § 5016.)
<u>Bond:</u>	Not stated in statute.
<u>Oath:</u>	Within thirty (30) days after their appointment, the members of the board shall take and subscribe to the oath of office as prescribed by the Government Code and shall file the same with the Secretary of State. (Bus. & Prof. Code § 5001.) Government Code §§ 1360 – 1363.
<u>Duties:</u>	The board shall compile and maintain, or may have compiled and maintained of its behalf, a register of licensees that contains information that the board determines is necessary for the purposes for which the board was established. The board shall make the register available to any licensee and to the public. (Bus. & Prof. Code § 5009.) The board shall keep records of all proceedings and actions by and before the board and before its committees. In and proceeding in

court, civil, or criminal, copies of those records certified as correct be the executive officer of the board under seal of the board shall be admissible in evidence and shall be prima facie evidence of the correctness of the contents thereof. (Bus. & Prof. Code § 5013.)

In exercising its power under this section for the interests of consumer protection, the board shall establish standards which will assure reasonable currency of knowledge as a basis for a high standard of practice by licensee. The standards shall be established in a manner to assure that a variety of alternatives are available to licensees to comply with the continuing education requirements for renewal of licenses and taking cognizance of specialized areas of practice. (Bus. & Prof. Code § 5027.)

Notwithstanding any other provision of law, the board may inquire into any alleged violation of this chapter or any other state or federal law, regulation, or rule relevant to the practice of accountancy. (Bus. & Prof. Code § 5103(a).)

The members of the board may hold executive sessions to prepare, approve, grade, or administer examinations and shall have jurisdictions or vote over these functions of preparing, approving, grading, or administering examinations in executive session as provided for in Section 11126 of the Government Code. ASSOCIATE DEGREE FOR TRANSFER **INTERSEGMENTAL IMPLEMENTATION COMMITTEE**

Purpose: The committee is established to serve as the primary entity charged with the oversight of the associate degree for transfer for the sole purpose of strengthening the pathway for students and to ensure it becomes the primary transfer pathway in California between campuses of the California Community Colleges and the University of California, the California State University and participating independent institutions of higher education. To enhance coordination and communication between four-year postsecondary educational institutions and the California Community Colleges by providing a venue by which they can regularly meet and address issues that are impeding and to provide the Legislature and the Governor with recommendations to support the purpose.

Authority: EC 66749.8

Appointing Power: Governor – 2
Senate Rules Committee – 1
Speaker of the Assembly – 1

Number: 16 members

Each of the following entities shall designate one representative to serve on the committee:

The Office of the Chancellor of the California Community Colleges
The Office of the Chancellor of the California State University
The Office of the President of the University of California
The Association of Independent California Colleges and Universities
The State Department of Education
The Student Senate for the California Community Colleges
The California State Student Association
The University of California Student Association
The Academic Senate for the California Community Colleges
The Academic Senate of the California State University
The Academic Senate of the University of California

Qualifications: The Senate Committee on Rules shall appoint one member from the workforce sector with expertise in the fields of science, technology, engineering, or mathematics.

The Speaker of the Assembly shall appoint one member with a background in higher education research that includes scholarship on student transfer issues in the state.

**ASSOCIATE DEGREE FOR TRANSFER INTERSEGMENTAL
IMPLEMENTATION COMMITTEE (continued)**

The Lieutenant Governor shall appoint one member from an educational equity and social justice organization.

The Governor shall appoint one member from an educational equity and social justice organization and one member who is a California community college student.

Term: Serve at the pleasure of their respective appointing authorities

Term Limits: Not stated in statute

Grace Period: Continue to serve at the pleasure of the appointing power

Compensation: No compensation

Meetings: The public meetings described shall comply with the Bagley-Keene Open Meeting Act.

Bond: Not stated in statute.

Oath: Government Code §§ 1360 – 1363.

Duties: On or before December 31, 2023, the committee shall provide the Legislature with recommendations on all of the following issues impeding the scaling of the ADT and streamlining transfer across segments for students:

(1) Identifying annual goals for increasing transfer rates in California and closing racial equity gaps in transfer outcomes to be adopted by the state. Specifically, these goals shall include all of the following:

(A) Annual goals for improving transfer attainment needed to meet the state's workforce demands.

(B) Goals for closing gaps in transfer outcomes by race.

(C) Goals for closing regional opportunity gaps to access ADT pathways.

(D) Annual goals to meet the statewide degree attainment goal of 70 percent.

(2) Proposing a new unit threshold for STEM degree pathways that meet the requirements for admission to the California State University and the University of California. The recommendations made pursuant to this paragraph shall comply with both of the following requirements:

(A) The recommendations shall include sufficient evidence supporting a higher unit threshold for each STEM degree pathway, including an analysis of colleges that have succeeded in adopting similar pathways within the 60-unit framework for lower division units taken at the California Community Colleges.

ASSOCIATE DEGREE FOR TRANSFER INTERSEGMENTAL IMPLEMENTATION COMMITTEE (continued)

(B) A recommendation for a differing unit threshold within a STEM degree pathway shall not recommend a change of more than six units.

(3) Reengaging ADT earners who do not transfer or apply for transfer into a four-year postsecondary educational institution.

On or before December 31, 2024, the committee shall achieve all of the following:

(1) Establish timelines and reporting deadlines for the existing regular review of declaring or matching transfer model curricula similar to the California State University majors for admissions purposes. In doing this, the committee shall develop a plan to establish reporting and accountability requirements to ensure that transfer model curricula are aligned with the ADT.

(2) Develop a plan for the periodic analysis and creation of additional transfer model curricula for the ADT to respond to evolving workforce demands, including STEM degree pathways, and degree pathways that will aid in the economic recovery from the COVID-19 pandemic, such as nursing and cybersecurity. The plan shall establish venues for professional collaboration in consultation with academic senates and appropriate discipline faculty on degree production, major alignment, and workforce- or industry-specific relevance.

(3) (A) Develop a comprehensive communications plan and guidance on student-centered outreach to inform students about the ADT pathway and to ensure prompt and accurate information is communicated across four-year postsecondary educational institutions, the California Community Colleges, and elementary and secondary education.

(B) The plan developed under subparagraph (A) shall include, but not be limited to, guidance to community college counselors and articulation officers on their role in communicating the value of the ADT pathway, guidance to high school counselors on incorporating the ADT pathway into their menu of college options, and templates that can be customized for outreach in local contexts. The communications plan shall also address how updates about the ADT pathways, including new majors and new participating four-year postsecondary educational institutions, will be communicated to four-year postsecondary educational institutions, the California Community Colleges, and high schools.

(C) The plan developed under subparagraph (A) shall address how updates about the ADT pathway will be regularly communicated to four-year postsecondary educational institutions, the California Community Colleges, and high schools so that counselors, advisers, and student support staff engaged in educating students about their college options, participating four-year postsecondary educational institutions, and degree options, have the most current information about the ADT pathway, and are aware of updates to the program such as new majors or new participating four-year postsecondary educational institutions.

(4) Provide feedback for the regular review and identification of updates needed to the ADT internet website maintained by the California Community Colleges to ensure current information and updates are communicated to students, families,

ASSOCIATE DEGREE FOR TRANSFER INTERSEGMENTAL IMPLEMENTATION COMMITTEE (continued)

and student support staff engaged in educating students about their college options, participating four-year postsecondary educational institutions, and degree options.

On or before May 31, 2023, the Intersegmental Committee of the Academic Senates of the University of California, the California State University, and the California Community Colleges shall establish a singular lower division general education pathway that meets the academic requirements necessary for transfer admission to both the California State University and University of California. If the Intersegmental Committee of the Academic Senates of the University of California, the California State University, and the California Community Colleges is unable to come to agreement on or before May 31, 2023, the respective administrative bodies of those segments shall establish a singular lower division general education pathway that meets the academic requirements necessary for transfer admission to the California State University and the University of California by December 31, 2023.

Commencing with the fall term of the 2025–26 academic year, the singular lower division general education pathway established pursuant to paragraph (1) shall be the only lower division general education pathway used to determine academic eligibility and sufficient academic preparation for transfer admission to the California State University and the University of California.

(3) The singular lower division general education pathway established pursuant to paragraph (1) shall not lengthen the time-to-degree and shall not include more units than is required under the Intersegmental General Education Transfer Curriculum on July 31, 2021.
