COMMENT:

Through 1982, the Governor appointed 6 public members. Beginning in 1983, the Senate Rules Committee and Speaker of the Assembly will each appoint 1 public member and the Governor will appoint 4. SB 163 (Evans), Chapter 417, Statutes of 2011 changed the name from State Bar Board of Governors to State Bar Board of Trustees, stated legislative intent that the board reduce its membership from 23 to 19 by 10/31/14 and develop a transition plan effective 1/1/12. It also changes the process for selecting attorney members, and adds one attorney member appointed by the Rules Committee and one attorney member appointed by the Speaker. The bill provided that the board shall not change, reduce, shorten, lengthen or abolish the terms of board members commencing prior to 12/31/11, or force any board member to resign in order to reduce the membership. It also added conflict of interest provisions.

SB 36 (Jackson) of 2017 separated the State Bar's association duties from its regulatory duties. It removed the provision that requires certain

STATE BAR BOARD OF TRUSTEES-continued

terms to commence at the conclusion of the State Bar's annual convention, thereby allowing terms to begin immediately upon appointment. It also stated legislative intent that the 19-member board transition to a 13-member board by 10/31/20, by allowing the 6 elected attorney members' terms to expire and not replacing them. It changed terms from 3 to 4 years. Further, it codified current practice that at least one board member appointed by each of the appointing authorities also serve on the executive committee. It also provided that, effective 1/1/18, one public member shall be appointed each by the Senate Rules Committee and the Speaker, and 4 public members shall be appointed by the Governor.

AB 2958 (Cmte on Judiciary) Chap. 419, Stats of 2022, provided that the time served during the remainder of a midterm vacancy by any member appointed to fill that vacancy shall not count toward any term limits for the member filling the vacancy.

SB 40 (Umberg) Chap. 697, Stats of 2023, expanded conflict of interest provisions for State Bar board members and employees, applying them to any decision of the State Bar.

AB 3279 (Committee on Judiciary) of 2024 authorizes an appointing authority to remove its appointee from office at any time for continued neglect of duties, incompetence, or unprofessional or dishonorable conduct.
