Professional liability insurance

+ [REDACTED] 8/11/2025 10:08:35.000 PM
For sure. Still they shouldn't ask us to do anything that violates a court order

Local User <W[REDACTED] iPhone> 8/11/2025 10:09:03.000 PM
I think they only know one way to operate

They're headed to Chicago and Boston soon and told me they wanted to bring HSI LA agents with them. I told them no chance

Gavin Newsom was holding a press conference, so they decided to March from the federal building to where the press conference was. They arrested a couple people outside and just stood around to get media attention. I think Bovino made

I think BP is mostly just excited because they don't usually get to do this so they're kind of loving the media attention maybe
