

EXECUTIVE DEPARTMENT STATE OF CALIFORNIA

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS on December 24, 2025, I proclaimed a State of Emergency to exist in Los Angeles, Orange, Riverside, San Bernardino, San Diego, and Shasta Counties as a result of a series of atmospheric rivers that began to impact California in late December ("Late-December 2025 Storms"); and

WHEREAS on April 17, 2026, I proclaimed a State of Emergency to also exist in Mendocino, Sonoma, and Ventura Counties due to additional impacts from the Late-December 2025 Storms; and

WHEREAS the Late-December 2025 Storms produced widespread rain, mountain snow, and strong winds across California; and

WHEREAS the Late-December 2025 Storms resulted in damage to the local roads, including slipouts, road failures, drainage failures, flooding and debris within Santa Barbara County; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the Late-December 2025 Storms; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by the Late-December 2025 Storms, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the extreme peril posed by the Late-December 2025 Storms; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of the Late-December 2025 Storms in Santa Barbara County.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8625, **HEREBY PROCLAIM A STATE OF EMERGENCY** to exist in Santa Barbara County due to the Late-December 2025 Storms.

IT IS HEREBY ORDERED THAT:

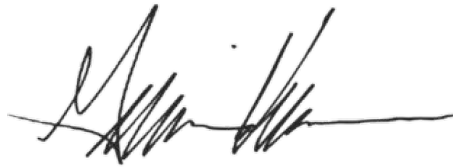

1. All agencies of the state government utilize and employ state personnel, equipment, and facilities for the performance of any and all activities consistent with the direction of the Office of Emergency Services and the State Emergency Plan. Also, all residents are to obey the direction of emergency officials with regard to this emergency in order to protect their safety.

2. The California Department of Transportation shall formally request immediate assistance for Santa Barbara County through the Federal Highway Administration's Emergency Relief Program, United States Code, Title 23, section 125, in order to obtain federal assistance for highway repairs or reconstruction.
3. The restrictions set forth in Penal Code section 396, which are automatically triggered upon proclamation of a state of emergency, are suspended, and no such restrictions are imposed, with respect to the Late-December 2025 Storms in Santa Barbara County.

I FURTHER DIRECT that as soon as hereafter possible, this Proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Proclamation.

This Proclamation is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 21st day
of September 2026.
