Regulatory Commission request confirmation of the relevant provisions of this chapter and seek the authority needed to give the Independent System Operator the ability to secure generating and transmission resources necessary to guarantee achievement of planning and operating reserve criteria no less stringent that those established by the Western Electricity Coordinating Council and the North American Electric Reliability Council. (Pub. Util. Code § 346.)

Shall adopt inspection, maintenance, repair, and replacement standards for the transmission facilities under its control no later than September 30, 1997. The standards, which shall be performance or prescriptive standards, or both, as appropriate, for each substantial type of transmission equipment or facility, shall provide for high quality, safe, and reliable service. In adopting its standards, the Independent System Operator shall consider: cost, local geography and weather, applicable codes, national electric industry practices, sound engineering judgment, and experience. The Independent System Operator shall also adopt standards for reliability, and safety during periods of emergency and disaster. The Independent System Operator shall report to the Oversight Board, at such times as the Oversight Board may specify, on the development and implementation of the standards in relation to facilities under the operation control of the Independent System Operator. The Independent System Operator shall require each transmission facility owner or operator to report annually on its compliance with the standards. That report shall be made available to the public. (Pub. Util. Code § 348.)

Shall perform a review following a major outage that affects at least 10 percent of the customers of the entity providing the local distribution service. The review shall address the cause of the major outage, the response time and effectiveness, and whether the transmission facility owner or operator's operation and maintenance practices enhanced or undermined the ability to restore service efficiently and in a timely manner. If the Independent System Operator finds that the operation and maintenance practices of the transmission facility owner or operator prolonged the response time or was responsible for the outage, the Independent System Operator may order appropriate sanctions, subject to the Federal Energy Regulatory Commission approving that authority. BOARD OF JUVENILE HEARINGS

Purpose:	Participate in hearings, including discharge consideration hearings, initial case reviews, and annual reviews
Authority:	Welfare and Institution Code §§ 1716 et seq.
Appointing Power:	Governor (requires Senate confirmation)
Number:	Three (3)
Special Considerations:	The selection of persons and their appointment by the Governor and confirmation by the Senate shall reflect as nearly as possible a cross section of the racial, sexual, economic, and geographic features of the. (Wel. and Inst. Code § 1718(a).)
Qualifications:	The three (3) shall be trained to hear only juvenile matters.. (Wel. and Inst. Code § 1718(a).)
Term:	Five (5) years; each term to commence on the expiration date of the predecessor. (Wel. and Inst. Code § 1718(a).) Any appointment to a vacancy that occurs for any reason other than expiration of the term shall be for the remainder of the unexpired term. (Wel. and Inst. Code § 1718(b).)
Term Limits:	Commissioners are eligible for reappointment. (Wel. and Inst. Code § 1718(a).)
Grace Period:	Sixty (60) days. (Gov. Code § 1774.)
Compensation:	Shall receive an annual salary pursuant to Government Code § 11555 (Pen. Code § 5076.). Plus, actual necessary traveling expenses incurred in the performance of his or her official duties. (Wel. and Inst. Code § 1721(a).)
Meeting Frequency:	The Board shall meet at each of the facilities under the jurisdiction of the Division of Juvenile Facilities. Meetings shall be held at whatever times may be necessary for a full and complete study of the cases of all wards whose matters are considered. Other times and places of meeting may also be designated by the board, including, but not limited to, prisons or state facilities housing wards under the jurisdiction of the Division of Juvenile Facilities (Wel. and Inst. Code § 1720(a).)
Bond:	Not stated in statute.

BOARD OF JUVENILE HEARINGS
(continued)

Oath: Government Code §§ 1360 – 1363.

Duties: The case of each ward shall be reviewed by the Board of Juvenile Hearings within 45 days of arrival at the department, and at other times as is necessary to meet the powers or duties of the board.

The Board of Juvenile Hearings shall periodically review the case of each ward. These reviews shall be made as frequently as the Board of Juvenile Hearings considers desirable and shall be made with respect to each ward at intervals not exceeding one year.

The ward shall be entitled to notice if his or her annual review is delayed beyond one year after the previous annual review hearing. The ward shall be informed of the reason for the delay and of the date the review hearing is to be held.

Failure of the board to review the case of a ward within 15 months of a previous review shall not of itself entitle the ward to discharge from the control of the division but shall entitle him or her to petition the superior court of the county from which he or she was committed for an order of discharge, and the court shall discharge him or her unless the court is satisfied as to the need for further control.

Reviews conducted by the board pursuant to this section shall be written and shall include, but not be limited to, the following: verification of the treatment or program goals and orders for the ward to ensure the ward is receiving treatment and programming that is narrowly tailored to address the correctional treatment needs of the ward and is being provided in a timely manner that is designed to meet the discharge consideration date set for the ward; an assessment of the ward's adjustment and responsiveness to treatment, programming, and custody; a review of the ward's disciplinary history and response to disciplinary sanctions; and a review of any additional information relevant to the ward's progress.

The division shall provide copies of the reviews prepared pursuant to this section to the court and the probation department of the committing county.
(Wel. and Inst. Code § 1720(a) through (f).)

- One (1) representative of family caregivers

Other members:

- Insurance Commissioner, or the Commissioner's designee
- Director of Health Care Services, or the director's designee
- Director of the Department of Aging, or the director's designee

Term: Pleasure

LONG-TERM CARE INSURANCE TASK FORCE
(continued)

Term Limits: Not stated in statute

Grace Period: Not stated in statute

Compensation: None.
(Ins. Code § 10234.75(c).)

Meeting Frequency: Not stated in statute

Bond: Not stated in statute.

Oath: Government Code §§ 1360 – 1363.

Duties: Explore how a statewide long-term care insurance program could be designed and implemented to expand the options for people who are interested in insuring themselves against the risk of costs associated with functional or cognitive disability, and require long-term care, services, and supports.

Explore options for the design of the program, including eligibility, enrollment, benefits, financing, administration, and interaction with the Medi-Cal program and other publicly funded resources. In exploring these options, the task force shall consider all of the following:

- Whether and how a long-term care insurance program could be included as a benefit in the state disability insurance program structure, possibly through a nominal increase in the payroll tax, and whether the program could be structured in the same manner as Paid Family Leave benefits.
- (B) Allowing for enrollment in the program of working adults who would make voluntary premium contributions either directly or through payroll deductions through their employer.
- (C) To the extent feasible, requiring a mandatory enrollment with a voluntary opt-out option.
- (D) Giving working adults the opportunity to plan for future long-term care needs by providing a basic insurance benefit to those who meet work requirements and have developed functional or equivalent cognitive limitations.
- (E) Helping individuals with functional or cognitive limitations remain in their communities by purchasing nonmedical services and supports, including home health care and adult daycare.
- (F) Helping offset the costs incurred by adults with chronic and disabling conditions. The program need not be designed to cover the entire cost associated with an individual's long-term care needs.

LONG-TERM CARE INSURANCE TASK FORCE
(continued)

Duties:
(continued)

Evaluate how benefits under the program would be coordinated with existing private health care coverage benefits.

Evaluate the demands on the long-term care workforce as the need for long-term care in California grows, and how the long-term care workforce can be prepared to meet those demands.

Consider the establishment of a joint public and private system to make long-term care accessible to as many individuals within California as possible.

Make recommendations related to key regulatory provisions necessary for the public to access existing long-term care insurance programs and participate in future long-term care insurance programs, whether those programs are recommended by the task force or otherwise.
